

Directions & Parking

Bethesda Audiology Center

Metered parking is located in the Montgomery County Public Garage (Garage 35: Woodmont-Rugby Garage) at **8216 Woodmont Avenue**.

We recommend paying for 1½ hours on the meter to be safe.

The ground floor (back) entrance to our building is located across the street from the garage, in the **BETHESDA MEDICAL BUILDING** of 8218 Wisconsin Avenue. There are stairs or an elevator inside the building to go up to the first floor. We are located on the first floor, in **Suite 106**.

*There is a lot of construction in/near the garage. Please allow an extra 10 to 15 minutes to find parking.

There is also limited street parking in the area.
